

**Ubuntu Education Fund Care and Support Program Client Consent Form**

***Release of Information and Voluntary Consent Form for Ubuntu Services***

I .....

give consent for Ubuntu Education Fund to collect and use information that I provide to the appropriate Ubuntu staff member(s) in order that Ubuntu may provide the best possible service for me. I understand you may collect my information for statistical purposes but that it will not identify me personally in any way. My consent will stop if I give any of the above agencies notice in writing.

I understand that this information may also be given to:

- Other Ubuntu staff with the Ubuntu office when I have asked for other Ubuntu services
- Other relevant services, such as Social worker, Community nurse, your treating Doctor, etc
- Other relevant Government services such as the Dept of Social Development, depending on the service needed

If there is any information that I do not want the Ubuntu staff member to pass on within Ubuntu or to other services, I will let Ubuntu know which details may not be passed on. I am aware that if I do not provide this consent, then Ubuntu may be limited in the services it can provide.

Mna .....

Ndiyavuma ukuba Ubuntu athabathe inkcazelo yam anike umntu ochanekileyo andibonele ngeenkonzoz ezifanelekileyo. Ndiyazi, ndikwaqonda ukuba esebenzisana nam ungathabatha ingxelo ngam ngesizathu sokuqokelela inkcukacha zamanani, kodwa akusayi kuphulisa igama lam. Intsebenziswano phakathi kwam no Ubuntu ingaphela xa ndenze imbalelwano ecela kube njalo.

Ndiyaqonda ukubainkcazelo yam inganikelwa:

- Komnye wabasebenzi bakwa Ubuntu xa ndifuna iinkonzoz zakwa Ubuntu
- Nakwezinye iindawo zoncedo ezinje ngo Nontlalontle, amanesi, ugqira okuncedayo kwakunye nezinye nezinye
- Nezinye inkonzoz zika Rhulumente ezinje ngophuhliso ngentlalontle ixhomekeke kwiinkonzoz ozifunayo

Xa kukho inkcazelo ongafuni idluliswe kwelinye ilungu lakwa Ubuntu okanye kwezinye indawo, ndakumazisa Ubuntu ngalo nkcazelo. Xa ndingasezanga esi sivumelwano ndiyazi ukuba Ubuntu akazokwazi ukundinceda.

**I give my information voluntarily/Ndinikela ulwazzi ngokuzithandela ndinganyanzelwanga.**
